A referee fee of $150 is required for this tournament and is refundable if you provide a qualified 3 person crew for every two teams entered from your region. A "qualified" referee team should contain 3 **experienced** Regional Referees for U10 teams, **at least** one Intermediate Referee for U12 teams and **at least** one Advanced Referee for U14 teams. Referees may only represent one/two teams in the tournament. Referee teams may be divided and scheduled separately, based on the needs of the tournament. Referees who do not have children participating in the tournament will be assigned matches to best accommodate the tournament match and referee schedules. **We prefer that coaches with teams playing in the Apricot Jam refrain from refereeing.** Any substitutions or changes to your referee crew require the submission of a new form signed by your Regional Commissioner or Regional Referee Administrator. Review the Tournament Referee Plan for complete details.

Please complete all areas for each referee. This information is extremely important and will affect assignments.
